RESPONSE TO ELECTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Official Action of July 29, 2005, in connection with the above identified application.

The Official Action is an election requirement in which it is urged that there are two separate and distinct species claimed in this application. It is further indicated that claim 1 is found to be generic. Applicant elects the species of Figure 4, without traverse. Claims 1 and 3-17 are readable on the elected species. Applicant reserves the right to file a divisional application on the non-elected invention at a later time.

In view of the election of the species of Figure 4, without traverse, an early and favorable action on the merits is now believed to be in order and is most respectfully requested.

Respectfully submitted,
